PARTICULARS OF MEMBERSHIP

THE Association of the Friends of Rochester Cathedral was formed in 1935, as it was felt that there were many who would like to be associated with this ancient and interesting church and to have a share in the preservation and upkeep of the fabric.

The Diocese and Cathedral of Rochester go back to the beginning of English Christianity. This is not to be confused with Christianity in what we now speak of as England, for Christianity flourished in Kent soon after the year A.D. 200, and although there is no proof of a Christian Church in Rochester in those early days, there is at least a likelihood that there was one. The Mission sent by Pope Gregory the Great, and welcomed and aided by King Ethelbert, secured the founding of the See of Canterbury about A.D. 597, and those of Rochester and London in A.D. 604. Close to the West Door of the Cathedral the foundations of the apse of the old Saxon Church were discovered—semicircular lines just inside the Cathedral mark the site—and the foundations of its Nave walls were traced running westwards across the cemetery outside. No foundations of a western apse have been discovered. The Cathedral Church as it stands to-day is an interesting epitome of English architecture from early Norman to the present century—the latter represented by restoration work.

All who care for this venerable church are therefore asked to join the Association of Friends of Rochester

Cathedral, and thus to help the Dean and Chapter to bear the responsibility of preserving for future generations a building which stands for so much in the history of our National Church.

Since the inauguration over 1,800 Friends have enrolled themselves, and their contributions have resulted in much valuable work in several ways. Important and necessary repairs to the fabric have been carried out, especially to parapets, roofs, and copings. During the war, funds were supplied by the Friends for defence work against bomb damage, blast, and fire. But it is especially due to their efforts that there has been revealed the interest and beauty of the Monastic Cloisters, its buildings, and its garth. The Chapter House doorway has been opened and the exquisite Romanesque carving of its masonry shown. Within the Chapter House, Priors' burial places have been discovered; the foundations of the pillars which carried a gallery across the west end from the dormitory to the Cathedral have been exposed; the refectory doorway and its adjacent washing-trough have been made objects of interest; and the fine vaulted archway entered from the main road of the Precinct has been opened out. Of the Cellarer's buildings some walls have been shown, and the Tudor buttresses clearly tell what King Henry the Eighth planned for the housing of his retinue. Funds are urgently needed for all this work. Will you become a Friend and help?

The minimum subscription has been fixed at 5s. per annum, which it is hoped will enable all who wish to do so to enrol themselves, but it is also hoped that many will be able to give larger sums. There is also a Corporate Membership for Schools, Colleges, Parochial Church Councils, etc., with a minimum subscription of 10s. per annum, whilst Individual Life Membership is £10, or Joint Life Membership, for husband and wife, £15 15s. Boys and girls under 18 years of age, 2s. per annum. Each Friend receives a Card of Membership

and a copy of the Annual Report is sent to each Member other than Junior Members, when published. A form of application will be found at the end of this Report and should be sent to the Honorary Secretary, The Deanery, Rochester.

Friends who visit the Cathedral and attend Festivals are asked to wear the Badge of Membership, illustrated on the cover. It consists of a gold scallop on a red field with the words "Friends of Rochester Cathedral" round the rim and the date of the inception. Badges are 2s. od. (1s. 6d. for Junior Members) and may be obtained from the Honorary Secretary.

THE ANNUAL REPORT

The Council hope that the alteration in the date of the Festival, from its customary date in June to the middle of September, will not prove a disappointment or inconvenience to the majority of the members of the Association. Not only was it difficult to find a date in June or July which did not clash with some event of Diocesan or local importance, but it appeared to the Council that there was much to be said for a date in the early Autumn.

The affairs of the Association since the last Festival have proceeded without any particularly noticeable incidents. We can again record an increase in membership, including six new Life memberships and eight new Corporate memberships.

Once more we have to thank Captain J. A. Pring, the Hon. Treasurer, the Rev. R. Johnstone, the Secretary, and Miss B. Neech his assistant, for the faithful and enthusiastic discharge of their respective responsibilities. I greatly regret that I am unable to report much improvement in our Treasurer's health, but none the less each day finds him at work in the Friends' office. Doctor E. C. Gross and Mr. N. E. Oliver, elected at the last Annual General Meeting, have taken their places on the Council, and the former has kindly agreed to serve on the Executive Committee. The Committee propose to put before the Meeting, for election as a member of the Council, the name of Mr. E. Armitage a Cathedral steward, in days gone by a Lay Clerk of the Cathedral, and a Friend to whom we are much indebted. I look forward to welcoming our Vice-Chairman, Viscount De L'Isle, V.C., P.C., when he distributes the prizes at the King's School Prizegiving at the end of the School summer term.

And here I must record regretfully the death of Mr. Robert Cobb, J.P., a prominent citizen of Rochester,

a faithful member of our Association and for some years a member of the Council. We extend our sympathy to Mrs. Cobb and her family.

Cathedral Restoration

I have to report steady and continuous progress in the repair and restoration of the Cathedral fabric. The work on the roof timbers has been completed, as also the repairs to the Cathedral spire. In the latter connection the opportunity has been taken to paint and gild the three faces of the clock. The result is most pleasing in appearance and has vastly improved its legibility as a time-piece. The work immediately in hand is the extensive repair necessary to the stonework of the Lady Chapel windows, and the replacing of the old gas lighting and gas fittings with what we believe will be a beautiful and effective lighting of the Cathedral by electricity. The new electrical installation presents itself as it were in two parts, the first comprising a number of specially designed fittings, these being of a decorative nature and visible to the congregation; the second consists of concealed lamps, the purpose of which is to light the upper part of the interior and to reveal the full beauty of the architecture. In the Crypt electric lighting has been installed in such a way as to emphasize the form of the columns and vaulting. The parchment shades are a temporary expedient until funds permit permanent ones to be provided. The whole of the wiring is being carried out with copper-sheathed cables, the life of which should be as long as that of the Cathedral itself.

The Cathedral Appeal "to restore, maintain and improve", for £60,000 made now three years ago, has so far failed to get much beyond the figure of £55,000. We seriously need the remaining £5,000, in view of the very heavy expense, unforeseen at the time of the launching of the Appeal, involved in the *Restoration of the Cathedral Organ*. This work will be taken in hand early in October and it is hoped that it will be com-

pleted in the early months of next year. It will not involve any alteration in the outward appearance and present situation of the organ. It consists chiefly in the provision of an entirely new console with electro-pneumatic action; the replacement of all worn-out and obsolete parts; the enclosure of the choir organ; and the addition of new octave ranges to one or two existing stops. Thus there will be incorporated in the rebuilt organ all that is best in the old—some of it dating from 1791—together with the most up-to-date action and additions.

The Cathedral Organist

It is, of course, quite impossible to make mention of the organ without referring to the retirement on July 31st of Mr. H. A. Bennett, Organist and Master of the Choristers. Mr. Bennett has given long and valuable service to the music of the Cathedral extending over the past twenty-six years. The Diocese is also greatly indebted to him for his work and leadership in connection with the Diocesan Choirs Festivals. Nor is it only in the Cathedral and the Diocese that Mr. Bennett's musical gifts will be missed. Ever since he became Cathedral Organist he has been the Hon. Conductor of the Rochester Choral Society which, under his baton, has given performances of most of the major classical works, together with a large number of works by modern composers, both British and foreign. In recent years these performances have invariably been given in the Cathedral Nave. It is with much regret that we shall say goodbye to Mr. and Mrs. Bennett and we shall ask him to accept a cheque as a farewell gift from his friends in the Cathedral and the Diocese.

The post of Cathedral Organist is one of such great importance that the selection of Mr. Bennett's successor was made by the Dean and Chapter only after the most prolonged and careful deliberation. In these deliberations we had the invaluable assistance and guidance of Sir William Mackie, Organist of West-

minster Abbey, and of Doctor Thomas Armstrong, Principal of the Royal Academy of Music, and finally, from a very large number of candidates the appointment was offered to and accepted by Doctor R. J. Ashfield, D.Mus., F.R.C.O. Doctor Ashfield was educated at Tonbridge School. Before proceeding to the Royal College of Music and while still a student he served as Organist of Speldhurst Parish Church, near Tunbridge Wells. In the years before the war he was Organist of St. John's, Westminster, and for some time acted as unofficial Assistant to Sir Ernest Bullock at Westminster Abbey. For the past ten years Doctor Ashfield has been Organist of Southwell Minster and we note from many reports the very high standard of music which has been attained in that Cathedral under his direction. We shall extend a warm welcome to Doctor and Mrs. Ashfield and their family when he takes over his duties in September. Members of the Association will look forward to meeting him at the Friends' Festival on September 19th which, incidentally, will be one of the last opportunities of hearing the Cathedral organ prior to the work of restoration.

Gifts to the Cathedral

When the old Vestries were removed from the south side of the Crypt it was decided to use the space thus vacated as a small Crypt Chapel. For its furnishing Mrs. I. M. Tait of Southgate has been so good as to give the Frontal for the Holy Table, together with a Cross and Candlesticks. At the time of writing this Report the Frontal and the Cross are still in the hands of the makers. The silver Candlesticks have recently been received at the Cathedral and are of an interesting Mediaeval design contemporary with the architecture of the Crypt itself.

Another most useful gift has been provided by the Rev. Canon H. T. Powell, D.D., one of the Bishop's Examining Chaplains. We have long felt the difficulty of, so to speak, bridging the gap between the two sec-

tions of Altar Railing before the High Altar. The gap is an exceptionally wide one, proving inconvenient for some communicants, and Doctor Powell has now solved this difficulty for us by the gift of a brass rail which can be easily and conveniently put in place by a vergger at the time of the Communion.

Miss Evelyn Underhill, sister of Doctor Underhill, formerly Dean of Rochester and afterwards Bishop of Bath and Wells, has given a sum of money to the Association of Friends for the purchase of a Memorial to her Brother. Your Council, with the approval of the Cathedral Chapter, have decided to purchase an additional Verge for carrying in procession, and Miss Underhill has approved of the action taken.

Canon F. W. Boyd, now retired from the Rectory of Beckenham, has presented to the Cathedral a magnificent gold Ciborium embellished with many jewels, the work of Mr. Omar Ramsden. The Ciborium was a gift to the Canon from a friend.

A family who wish to remain anonymous but all of whom are members of the Association have provided a gift of money in memory of the father of the family, and it still remains to be decided how this gift should be best used.

For all these gifts we are indeed grateful to the kind and generous donors. And here it would be appropriate to congratulate Mr. H. G. Cooper on his splendid work in completing a list of Choristers, including many interesting details in connection with the names recorded, and dating over the past three hundred years. The Old Choristers' Association have been good enough to present a specially bound copy to the Cathedral library.

Finance

The audited accounts of the Association for the financial year ended on 31st March, 1956, will be found on pages 14 and 15 of this Report.

We are extremely grateful to Messrs. Tribe, Clarke, Darton and Pollock, Chartered Accountants of Roches-

ter, for having carried out the audit in an honorary capacity.

In the "Income and Expenditure Account" it will be observed that, with an increase of Individual and Corporate members, annual subscriptions have risen from £509 in the year ended on 31st March, 1955, to £536 in the current year. On the other hand, "Life" membership fees have fallen by approximately £46.

We are most grateful to those members who pay their annual subscription under a Deed of Covenant, thereby increasing the income of the Association. Particulars of the "Covenant" scheme will be sent on application to the Hon. Treasurer. It is pointed out that no addition to the amount of the annual subscription is incurred by becoming a "Covenant" subscriber.

For the information of those Friends who remit their annual subscription by means of a Banker's Order, it is notified that Receipt Forms are not prepared and sent to them, such payments being notified in the statement sent to them by their respective Bankers.

The Festival

This year's Festival will be held on Wednesday, 19th September, and details of the programme will be found on page 16.

As mentioned earlier in the Report this will be more or less the last occasion on which our organ, previous to its restoration, will be heard and presiding at the organ will be our new Organist and Master of the Choristers. It seems advisable to defer the selection of the music for the Festival pending consultation with Doctor Ashfield on his arrival.

After tea in the Deanery garden we are to have the pleasure of listening to a recital of music in the Cathedral by the orchestra of the Royal Engineers, and for this privilege we are greatly indebted to the Commandant, School of Military Engineering.

Finally, I have to report that the *Cathedral* has again been used extensively for Diocesan and other special

services. In addition to the Diocesan Synod there was the annual Memorial Service of the Royal Engineers, the Kent County Service of the St. John Ambulance Brigade, a service of the Royal Artillery Association, a service for the Rotary Clubs of the Kent area and other similar occasions too numerous to recount in detail. The annual Battle of Britain service will be held on the Sunday preceding the Friends' Festival and on the Sunday following the Festival there will be the County service of the British Red Cross.

The Rev. G. H. L. Bowman, Chaplain of H.M. Borstal Institution, has been appointed an Honorary Minor Canon of the Cathedral. We are delighted to welcome him and are grateful for his help. Owing to a variety of causes the voluntary evening choir has become regrettably reduced in numbers, and we are all the more grateful to those members of the voluntary choir who have carried on in the face of difficulties.

The Cathedral Guide Book has been revised and brought up to date and is now on sale in the Cathedral.

Changes among members of the Cathedral foundation include the regretted retirement of Captain H. O. Wilkins who for so many years has been the senior Tenor Lay Clerk. On his retirement, at a meeting in the Chapter Room, Captain Wilkins received the good wishes of the Dean and Chapter and the Cathedral congregation, together with an illuminated address. It is with sorrow that we record the death of Mr. Andrews, an Alto Lay Clerk, and also latterly a Verger. We offer our sympathy to Mrs. Andrews and greatly miss a most attractive personality. Mr. Stephenson, the Head Verger, now has as his colleagues Mr. Penny and Mr. Paysden, and we still have the most useful assistance of the veteran Mr. Dartnell for part-time duties. Mr. Meer is still with us for Sunday duties and I must certainly not forget the faithful and long continued service of Mrs. Spinner and Mrs. Taylor.

THOMAS CRICK,

Dean of Rochester and Chairman of the Council.

THE LADIES' GUILD

THE Ladies' Guild have continued their customary meetings on the first Wednesday of each month, and this year they have devoted their time mainly to the mending of linen, cassocks, surplices and hassocks. Though this is a tedious and unspectacular work it is none the less of great importance to the Cathedral. The brass polishing has again been attended to by the Ladies who are good enough to undertake this hard work, and recently a new venture has been started. The members of the Guild make themselves responsible for a Bookstall every Saturday and Bank Holiday in the Cathedral, selling postcards for the "Friends" and guide books and other literature for the Cathedral. This has resulted in a notable increase in the number of books and picture postcards sold and we are very grateful to the ladies who give up their time to sit at the table—sometimes without much patronage.

It is with great regret that I have to record the death of one of our original and most helpful members, Mrs. Pring, the wife of the Honorary Treasurer of the Association. We miss her greatly.

The Ladies' Guild have been asked to provide the tea for the Friends' Festival and they hope that their efforts will meet with the approval of those present.
